EDUCATION

Allenhouse Institute of Technology

Bachelor of Computer Science and Engineering with Artificial Intelligence and Machine Learning

Rooma, Kanpur

2023 – 2027

KanyaKubja Public School

Intermediate

Kanpur

2022–2023

PROJECTS

SkillHire-AI | *MERN Stack, TypeScript, MongoDB, React.js, Node.js, Express.js*

- Developed a full-stack AI-powered recruitment platform connecting students and recruiters through skill-based job matching.
- Implemented JWT authentication, role-based access control, job posting, job search, and student/recruiter dashboards.
- Built scalable RESTful APIs , integrating AI-based candidate-job matching and skill recommendations.

Medicare AI | *React.js, Vite, Tailwind CSS, Supabase (PostgreSQL), Google Gemini AI, JavaScript.*

- Developed an AI-powered healthcare platform to assist patients with health risk prediction, appointment recommendations, and AI-driven medical assistance.
- Integrated Google Gemini AI for clinical summarization, personalized health recommendations, and appointment suggestions.
- Built responsive user interfaces with React.js and Tailwind CSS while managing authentication and patient data using Supabase.

Crime prediction Software System | *MySql database, python, streamlit, Jupiter Notebook.*

- Developed a machine learning application to analyse historical crime data and predict crime trends
- Performed data pre-processing, analysis, and visualization to generate actionable insights.
- Created an interactive Streamlit interface for real-time prediction and result visualization.

TECHNICAL SKILLS

Languages: Python, C, JavaScript.

CS Fundamentals: DBMS, Software Engineering, OOPS, SQL, Algorithm, Data Structure,

Tools: Git, VS Code, Visual Studio, Jupiter Notebook

Web Development:: HTML, CSS, React.js, Node.js, Express.js, MongoDB

AI/ML: Machine Learning, Pandas, NumPy, Scikit-learn

SOFT SKILLS

- Time Management
- Team Collaboration
- Adaptability
- Problem Solving

TRAINING & CERTIFICATIONS

- Deloitte Data Analytics Job Simulation – Forage (2026)
- Problem Solving Through C Programming – NPTEL (2024)
- Soft Skills and Personality Development – NPTEL (2024)

EXTRACURRICULAR ACTIVITIES

- Coordinated technical and cultural events as an active member of college committees.
- Won **First Prize** in the Multimedia Competition.
- Won **Second Prize** in Graffiti (2024) and **Third Prize** in Graffiti (2023).
- Won **Third Prize** in Robo War at the AKTU Technical Fest.
